Health Fair at Shops at Don Mills

Last month, on a lovely summer day, Physiotherapy At Don Mills hosted a Health Fair at Shops At Don Mills. Many patrons of the shopping centre stopped by the various booths set up in the town square by area health care practitioners, including physiotherapists, optometrists, dentists, massage therapists, naturopathic doctors and chiropractors, and many exhibitors had a sampling of their services and goods available. There were several charity organizations staffing booths as well, including North York General Hospital, Heart and Stroke, and Osteoporosis Canada. There were draws, demonstrations, healthy refreshments and snacks, as well as face painting and balloons for the kids. For more information, please call 416-444-4800.
